### **CITY AND COUNTY POLICE/FIRE**

**Honolulu Fire Department (HFD):** Captain Blaine Shimizu reported the following:

- **June 2016 Fire Statistics:** There was 3 structure fires, 2 wildland/brush fires, 2 nuisance fires, 1 cooking fire, and 9 activated alarms with no fire. There were 109 medical emergencies, 0 motor vehicle collisions with pedestrian, 14 motor vehicle crashes/collisions, 1 mountain rescue, and 2 hazardous materials incidents.
- **Summer Home Safety Tip:** With children on summer break, review one's home surroundings for potentially dangerous situations. Take the time to childproof the home. Check for situations that may cause accidental falls, electrical shocks, and/or poisoning from unsecured medications, cleaning products, and houseplants. Ensure that swimming pools are properly fenced and gated. An alarm on the

door from the house leading to the pool may help prevent unattended children from drowning. Keep matches and lighters in a safe, secured place away from children.

Questions, comments, and concerns followed: Emergencies: Resident Steve Kabei commented about residing in a condominium and raise a concern about individuals who uses a wheel chair during a hurricane watch. Captain Shimizu responded that individuals may make use of emergency shelters and that if there is a life threatening emergency, individuals may call 911 for assistance.

Honolulu Police Department (HPD) District 3-Pearl City: Sergeant Wilson Atud reported the following:

- June 2016 Crime Statistics: There was 1 motor vehicle theft, 3 burglaries, 11 thefts and 1 unauthorized entries into motor vehicles (UEMV); and a total of 411 calls for service for beat 384.
- Safety Tip: The International Union for the Conservation of Nature Conference (IUCN) will be through Thursday, September 1, 2016 to Saturday, September 10, 2016. Due to the amount of attendees there will be an increase in traffic. Report anything suspicious to HPD.

Questions, comments, and concerns followed:

1. Calls for Service: Pepper asked if there were any particular types of calls that were frequent regarding the 411 calls for service for beat 384. Sergeant Atud answered in the negative.
2. UEMV: Resident Kabei commented about majority of break-ins occur due to motor vehicles not being locked and due to valuables being visible in the motor vehicle.
3. Hazardous Drivers: Resident Stephen Kabei asked and Sergeant Atud answered to report the license plate number, model of the motor vehicle, and any additional information when reporting a hazardous driver.
4. Merging Motor Vehicles: Chair Yomes advised the public to allow other motor vehicles to merge when on the road and that motorists refrain from tailgating.
5. Driver's License: Baird commented about the diversity of language options individuals may choose from when taking the Driver's License test and raised a concern for individuals who cannot understand road signs that are in English.

Honolulu Police Department District 5-Kalihi: Lieutenant Brian West reported the following:

- June 2016 Crime Statistics: There were 11 motor vehicle thefts, 2 burglaries, 9 thefts and 7 unauthorized entries into motor vehicles (UEMV); and a total of 656 calls for service for beat 550/551.
- Safety Tip: To help prevent in UEMV, be sure that motor vehicle doors are locked when unattended. Pedestrian should not enter onto the intersection when the pedestrian signal flashes the red hand sign.

Questions, comments, and concerns followed:

1. Jaywalking: Kanemaru commented about the increase in HPD's citation of jaywalkers since Friday, July 1, 2016 and its statistics. Kanemaru requested that Jaywalking be included in HPD's Crime Statistics. Lieutenant West answered that due to the cost for additional crime statistics, additional statistics cannot be provided.
2. Pedestrians: Spadinger asked if there are any specific areas that pedestrians should be aware of. Lieutenant West answered that pedestrians should be cautious at all times.
3. First Responders: Resident Kenneth Kanehiro expressed his admiration for first responders who respond to an emergency and those who always stop before entering an intersection during an emergency.
4. Ahua Street: Chair Yomes commented about cars parked illegally on the sidewalk on Ahua Street.
5. Hoaloha Park: Chair Yomes commented about individuals who reside at Hoaloha Park before and after park hours.

Chair Yomes returned to agenda item, "Election of Board Officers."

Board Vice Chair, Secretary, and Treasurer: **There being no objection, Chair Yomes nominated Lennard Pepper as Vice Chair, Chandra Kanemaru as Secretary, and Roderick Spadinger as Treasurer. The motion was ADOPTED by UNANIMOUS CONSENT, 9-0-0 (Aye: Baird, Ching, Egge, Go, Igawa, Kanemaru, Pepper, Spadinger, and Yomes; Nay: none; Abstain: none).**

Chair Yomes returned the agenda to order to agenda item, "Community Concerns."

COMMUNITY CONCERNS: There were no community concerns.

**APPROVAL OF THE MAY 12, 2016 REGULAR MEETING MINUTES: The May 12, 2016 regular meeting minutes were ADOPTED, 9-0-0 (Aye: Baird, Ching, Egge, Go, Igawa, Kanemaru, Pepper, Spadinger, and Yomes; Nay: none; Abstain: none).**

### GOVERNMENT OFFICIAL REPORTS

Mayor Kirk Caldwell's Representative: Director Robert Kroning, Department of Design and Construction (DDC) reported the highlights in the City's Newsletter and following: Salt Lake Town Hall Update: The Salt Lake Boulevard Widening project is on schedule and received comments about the Draft Environmental Assessments (EA) that will be implemented into Alternative Plan D for the project. All comments will be considered in the final EA to be completed in February 2017.

Questions, comments, and concerns followed:

1. Salt Lake District Park: Pepper asked when a Request for Proposal (RFP) for Salt Lake District Park's pool heaters will be released.
2. Salt Lake Boulevard Widening Project: Baird asked and Director Kroning answered that the Board may review the final EA when completed in February 2017, and is unable to provide it to the Board since it is not part of the EA process. Pepper asked and Director Kroning answered that he could provide an update on the Salt Lake Boulevard Widening project and the EA process before the final EA in February 2017.
3. Underground Utility Lines: Spadinger asked if it was considered to use underground utility lines and if it is included in any of the Salt Lake Widening Project alternative plans. Director Kroning answered that it was considered in the past, but is currently not being considered.
4. Main Break Construction Project Coordination: Ching asked if work between the Board of Water Supply (BWS) and the City is coordinated. Director Kroning answered in the affirmative. Pepper stressed the need for coordination.
5. Cost of Honolulu Rail Transit Project: A community member commented about the releasing of funds for a housing product when there are cost concerns about the Honolulu Rail Transit Project.
6. Salt Lake Town Hall Meeting: Chair Yomes thanked Mayor Caldwell and the City Directors that attended the Salt Lake Town Hall Meeting.
7. Kapalama Hale: Chair Yomes commented about the short lines and effective systems for Driver Licenses at Kapalama Hale and Pearlridge Satellite City Hall.

Honolulu Authority for Rapid Transportation (HART): Pat Lee, Alyssa Tenorio, Christopher Wong, and Justin Barfield reported the following:

- West Oahu Farrington Highway Guideway: Construction of the West Oahu Farrington Highway guideway and the Rail Operations Center in Waipahu is finished. Over eight (8) miles of the guideway has been completed.
- Kamehameha Highway Guideway: The Kamehameha Highway Guideway schedule in the Pearl City/Aiea area includes Drilled Shaft operations, columns and utility operations should be completed by the end of 2016. The overhead guideway installation is ongoing through the end of 2016 and should be completed by the third quarter of 2017. The roadway widening, repaving, and restoration work is scheduled to start towards the end of 2016 and early 2017 with an estimated completion towards the end of 2017.
- Kamehameha Highway Station Group: The Kamehameha Highway Station Group should be starting soon, and Nan, Inc. is the contractor.
- Football Season: During football season, the parking lot will be turned over to Aloha Stadium to accommodate parking.
- Aloha Stadium Station: Justin Barfield circulated drawings of the Aloha Stadium Station and noted details on the drawing.
- Road Closure: In the near future, there may be road closures for road repaving and street lights replacement on Nimitz Highway and Valkenburgh Street.
- Project Hotline Number: For general project information, traffic updates, meeting notices and more information, call the project hotline at 566-2299.

Questions, comments, and concerns followed:

1. Parking Structure: Aloha Stadium Station Parking Structure: Egge asked if there would be a parking structure for the Aloha Stadium Station.
2. Cost of Honolulu Rail Transit Project: Resident Kabei asked and Lee answered that the cost from Aloha Stadium to East Kapolei has been contracted and awarded. The next segment will be awarded by August 2016. Middle Street to Ala Moana Shopping Center will be the most expensive segment of contracted

costs. The Federal Transit Administration (FTA) has currently asked the City for a recovery plan for the cost of the project to be submitted by the end of Thursday, June 1, 2017. Cost of each segment will be determined once the construction bids are awarded.

3. Honolulu Rail Transit Project and TheBus: Spadinger asked and Lee noted his work under Former Mayor Jeremy Harris with TheBus project. Lee further noted that it became difficult for buses to keep on schedule due to regular road traffic, but not a problem for the rail project since it will have its own guideway. Spadinger commented about Chicago's bus and rail system.
4. Land Acquisition: Egge commented about the history of land acquisition of the Oahu Railway and Land Company route. Lee responded about the Council's investigation of alternatives and the findings that the current rail route services modern riders more effectively.

BOARD OF WATER SUPPLY (BWS) — Jordan Acosta reported the following:

- Water Main Breaks: There were no water main breaks for June 2016.
- BWS Water Master Plan: On Wednesday, July 13, 2016 the BWS released a draft of its Water Master Plan and asks for public input. The Water Master Plan is a comprehensive evaluation of BWS's water supplies, needs, and infrastructure over a 30-year period. The plan includes population and water use projections; an evaluation of the current system, including causes of water main breaks; and it also considers conservation, watershed management, and climate change. The plan also provides recommendations on what to do so that BWS can continue to meet Oahu's water needs. The BWS will use the plan to guide its decisions about the best path to continue providing safe, dependable, and affordable water, now and into the future. A copy of the document is available at [www.boardofwatersupply.com](http://www.boardofwatersupply.com). Public input is being accepted from now through Friday, August 26, 2016. After this time, BWS is scheduled to consider adoption of the plan later in 2016. The BWS will then prepare a 30-year Capital Improvement Program and a financial analysis to evaluate the cost of those projects and options to pay for the work. The process will be an open process with ongoing input from stakeholders and customers. If interested in learning more, visit [www.boardofwatersupply.com](http://www.boardofwatersupply.com) to access the full report and other documents, or e-mail [BWSWaterMasterPlan@hbws.org](mailto:BWSWaterMasterPlan@hbws.org) or call 748-5347.
- Unthirsty Plant Sale: The BWS's 28th Annual Halawa Xeriscape Garden Open House and Unthirsty Plant Sale provides the perfect opportunity to learn ways to help an individual's garden beat the heat while conserving water outdoors. The event will be held from 9:00 a.m. to 3:00 p.m. on Saturday, August 6, 2016. The family-friendly event features a wide variety of less-thirsty and native plants at moderate prices, xeriscape workshops by garden experts, children activities, educational booths, a cactus display, food, and free compost. The event is a great way to learn how to create a garden that is both beautiful and less thirsty year round. Admission to the event is free. Proceeds from the event will help support educational programs and classes at the Halawa Xeriscape Garden. For more information, visit [www.boardofwatersupply.com](http://www.boardofwatersupply.com) or call the BWS Communications Office at 748-5041. Individuals can also follow BWS on Facebook and Twitter for event details at [www.facebook.com/BWSHonolulu](https://www.facebook.com/BWSHonolulu) and [twitter@BWSHonolulu](https://twitter.com/BWSHonolulu).

Questions, comments, and concerns followed:

1. BWS Representative: Baird commented about the lack of a BWS representative at regular meetings for several months and about who to contact to inquire more information about the BWS work around the Kahuapaani Street area.
2. Coordination: Pepper asked if a coordinator between City and BWS projects has been identified.
3. Main Break: A community member asked for more information about a main break that occurred last week.

Councilmember Joey Manahan: Mitchel Cabrero circulated a newsletter presented the following:

- Road Rehabilitation: Road rehabilitation work in the Salt Lake Boulevard, Ala Napunani Street, and Foster Village area will be completed by the end of 2016.
- Kapalama Hale: City services at Kapalama Hale have opened.
- Kokua Our Keiki and O'Pio: There will be a Back-to-School Drive on the 2nd floor of Honolulu Hale from 9:00 a.m. to 4:00 p.m. from Friday, July 15, 2016 to Friday, July 29, 2016.
- Salt Lake Waterway Legislation: There is pending legislation regarding the Salt Lake Waterway. The Department of Facility Maintenance (DFM) and should be released around August 2016.

Questions, comments, and concerns followed: Hygiene Center: Spadinger commented about the hygiene center highlighted in Councilmember Manahan's newsletter and asked for Councilmember Manahan's opinion. Cabrero will follow up.

Governor David Ige's Representative: Deputy Director Jade Butay, Department of Transportation (HDOT), Administration Division, announced that copies of the Capital Connection newsletter were circulated and highlighted the following:

- Capitol Connections Highlight: Governor Ige signed into law to generate 100 percent of electricity sales from renewable resources by 2045 and the new Every Student Succeeds Act (ESSA) that encourages the education of art as a part of a "well-rounded" education.
- Increase in Fuel Taxes: There are currently more projects to fund than the State has to fund from its fixed source. Due to that reason, the increase in fuel taxes was necessary.
- Honolulu Country Club: The Department of Health (DOH) met with all stakeholders regarding the waterways near Honolulu Country Club.
- Ethanol Use: Legislation relating to the inclusion of ethanol in fuel was repealed in 2015.
- Construction on Overpasses: The State send their thanks to Chair Yomes on his concerns regarding the construction on the overpasses in the Liliha Street area. The contractor is cautious when doing hazardous work, but there are plans to hold a safety meeting for further follow up.

Questions, comments, and concerns followed:

1. Kahuapaani Street: Baird commented about the malfunctioning street lights installed on Kahuapaani Street.
2. Signage: Baird asked if the 2013 construction work sign on Kamehameha Highway in Halawa will be removed.
3. H-1 Freeway: Resident Kabei requested for new striping and reflectors on H-1 Freeway from the Aloha Stadium to Pearl City area before the H-1 and H-2 Freeways merge. Deputy Director Butay answered that work was completed after the June 2016 regular meeting.
4. ESSA: Resident Kabei asked if good citizenship will be taught to students through the ESSA program.

Senator Glenn Wakai: Karen Dang circulated a newsletter and highlighted the following:

- Radford High School Athletic Field: The Radford High School Athletic Field was marred by potholes, bald spots, dead grass, and weeds. The Department of Education (DOE) did not accept the field, and the US Navy blamed the condition of the field on the State for not maintaining the field during the usage dispute. Senator Wakai encouraged the DOE to focus its efforts on the students and get the field ready by fall 2016. The State will attempt to get the US Navy to pay for the unexpected Football Field expenses.
- Moanalua High Track: Senator Wakai secured an additional \$195,000 to build a needed access lane for Moanalua High Track. Construction on the track will begin in November 2016.

Questions, comments, and concerns: Aloha Stadium Proposed Plans: Chair Yomes asked if Senator Wakai is in agreements with the proposed plans regarding Aloha Stadium. Dang responded that Senator Wakai has not been involved with any recent planning relating to the Aloha Stadium. Representative Aaron Johanson noted that he had several meetings regarding the Aloha Stadium proposed plans and that the biggest road block for any proposal is the deed restrictions for the Aloha Stadium area.

Representative Linda Ichiyama: Representative Ichiyama circulated a newsletter and reported the following:

- Women's Legislative Caucus: Governor Ige held a bill signing ceremony with the Women's Legislative Caucus on Tuesday, July 5, 2016. Measures protecting the rights of victims of sexual assault and sex trafficking were signed into law in House Bill (HB) 1707.
- Prince Lot Hula Festival: The 39th Annual Prince Lot Hula Festival will take place on Saturday, July 16, 2016 from 9:00 a.m. to 4:00 p.m. and Sunday, July 17, 2016 from 10:00 a.m. to 3:00 p.m. at the Moanalua Gardens.

Representative Aaron Johanson: Representative Johanson circulated a newsletter and reported the following:

- Legislative Update: There was a special session held on Tuesday, July 12, 2016. There will be another special session on Monday, July 18, 2016.
- Senate Bill (SB) 2077: There are concerns with SB2077 relating to offering benefits to Hawaii Health Systems Corporation employees facing reduction-in-force or workforce restructuring.
- HB 1702: Representative Johanson would like to emphasize the passing of HB1702 which relates to an increase in tax credit for working families who provide dependent care.
- Ready2React 2016: There will be an Emergency Preparedness Fair called Ready2React 2016 from 10:00 a.m. to 2:00 p.m. to be held at the Pearlridge Center on Saturday, July 30, 2016.

U. S. Military: Victor Flint reported the following:

- Water Quality Report: BWS's Water Quality Report indicates that Oahu's water supply, including Red Hill's water supply is safe to drink.
- Radford High School Football Field: Victor Flint will follow up with the US Navy regarding the concerns with Radford High School Football Field.

## HIGH SCHOOLS

Radford High School: There was no representative; no report was provided.

Moanalua High School: Sherwin Pang announced that Moanalua High School's Homecoming Parade will be held on Friday, September 23, 2016.

## PRESENTATIONS:

Bike Lanes and Traffic: Chris Sayers from the Department of Transportation Services (DTS) reported the following: Ala Napunani Street Update: Ala Napunani will be resurfaced around October 2016 and will include a Complete Streets configuration as required under City Ordinance. The road will be wide enough to retain four (4) narrow lanes which will also reduce speeding. Department of Transportation Services (DTS) would request the Board's support for the project.

Questions, comments, and concerns followed:

1. Support: Chair Yomes and Egge noted their support.
2. Sidewalk Improvements: Kanemaru asked if sidewalk improvements will be included in the resurfacing project. Sayers will follow up.
3. Dark Clothing: Go raised a concern regarding individuals who wear dark clothing at night and the necessity for more educational awareness for individuals to wear bright clothing at night.
4. Roads: Resident Kanehiro asked if the 10 foot clearance for motor vehicles is wide enough. Sayers answered in the affirmative and noted that City buses are able to fit.
5. Roundabouts: Resident Kanehiro asked if there will be changes to any roundabouts. Sayers answered that bike sharrows will be installed in areas nearby the roundabouts and that the project is not a complete repaving of the road.

**Egge moved and Go seconded that the Aliamanu/Salt Lake/Foster Village Neighborhood Board No. 18 support the Ala Napunani Street Bikeway Project. The motion was ADOPTED, 8-1-0 (Aye: Baird, Ching, Egge, Go, Kanemaru, Pepper, Spadinger, and Yomes; Nay: Igawa; Abstain: none).**

Pavement Preservation Slurry Seal Project: Kyle Oyasato from the Department of Facility Maintenance (DFM) and Betsy Wilson from Alakona Corp reported the following:

- Slurry Seal Program: DFM has started a Pavement Preservation Slurry Seal Program that is different from regular road repaving. Cracks become sealed to avoid potholes. A slurry seal is then placed using a slurry seal machine. The objective of this program is to provide a financially stable strategy that will preserve the longevity of road conditions. The project does not include federal and privately owned roads. The project does not work on roads in poor conditions. Roads in poor condition will alternatively be rehabilitated by another project.
- Slurry Seal Schedule: The City has indicated to the contractors of the project roads that will implement the slurry seal process. No parking signs will be placed on specific streets for a period of time for road repaving work in preparation of the slurry seal process. These signs will include the dates of road closure and for what reasons. Construction crews will then return to these roads to implement the slurry seal process, one (1) lane at a time. Mailers will be sent out two (2) weeks in advanced to affected residents notifying when certain roads will be completely closed to start work. Road work is from 8:30 a.m. to 3:30 p.m. where the road will be closed. Road work will not be done during rainy weather. Contact the number on the mailer for more information. A calendar for road work will be e-mailed to the Board.

Questions, comments, and concerns followed:

1. Rehabilitation of Streets: Pepper asked and Wilson answered that the project is a Rehabilitation of Streets Slurry Seal #2 project which is separate from resurfacing of roads in bad condition and will only focus on preserving roads that are in good condition.

2. Duration of Slurry Seal: Spadinger asked and Wilson answered that the slurry seal preserves the roads for an additional five (5) to six (6) years. Director Kroning noted that slurry seal projects is mainly used on small roads as a cheaper alternative to constant road repaving.
3. Start Date: A community member asked and Wilson answered that the project will be starting two (2) to three (3) months from now.

Lease to City Relating to Special Needs Housing: Michelle Kinimaka from Hale Kipa reported the following: Special Needs Housing: Hale Kipa leases a property from the City at 1322 Haloa Drive to assist young female from the ages of 18 to 22 transitioning out of foster care. Hale Kipa provides individuals with education and employment needs. Hale Kipa have received no reports from neighbors regarding any incidences relating to its occupants.
